SPECIALIZING IN CHRISTMAS TREES

Trees Are Ready for Planting Now

SCOTCH PINE:

Riga or Rigensis variety only . . . In Christmas tree market Scotch brings the best price, grows the fastest, demand far exceeds the supply.

Age	Size inches	Price for	
		100	1000
3-0	1½-4	\$2.00	\$10.00
	Good for line out—not recommended for field planting		
	3-6	3.50	15.00
4-0	Satisfactory size for field planting—good heavy stems		
	4-8	4.00	20.00
	Straight and tall—excellent for machine planting		
3-1	7-12	5.00	25.00
	DeLuxe — Heavy stems—fast growth.		
	4-8	5.00	25.00
	Transplants — best survival — fastest growth		

AUSTRIAN PINE:

Increasingly popular as a Christmas tree. Dark green—pruning not necessary because of slower and more symmetrical growth habit. Relatively disease free.

3-0	2-4	3.00	15.00
	Long roots and heavy stems make these satisfactory for field planting.		
	4-8	5.00	25.00
	Exceptionally fine trees—heavy stems—long roots—vigorous growth.		

COLORADO (BLUE) SPRUCE

4-0	3-6	8.00	40.00
	Exceptionally good color and roots average 6-9 inches long.		
3-2	10-12	50.00	(Field grown)

NORWAY SPRUCE

4-0	2-5	6.00
2-2-1	4-7	10.00

WHITE SPRUCE

3-1	2-5	8.00

MUGHO PINE:

2-3-1	6-8	15.00	
			Single branched
		20.00	Double branched

NOTE

CHANGE IN OWNERSHIP:

In April 1953, Huntree purchased the Walter A. Studley Nursery, with all of its stock. If you were a former customer of Mr. Studley, we intend to give you the same high quality of service that you received from him.

FALL PLANTING:

We can do a limited amount of planting this fall. Rates vary from \$12 to \$14 per 1000—Minimum quantity 10,000.

CHRISTMAS TREE PLANTATION MANAGEMENT:

In addition to our own three Plantations, we now have two Christmas Tree Farms under contract with long term management plans, under which we undertake to plant, prune, spray and harvest for a share of the income. We are ready to extend this service wherever it is practical.

GAME MANAGEMENT CONSULTANT:

If you are intested in improving game conditions on your property, we have on our staff an expert in this field, who will visit your property and advise you on how to improve it for game habitat.

HUNTREE SERVICES

- Seedlings and Transplants
- Custom Tree Planting
- Insect Control Service
- Plantation Management
- Christmas Tree Brokerage

INDEPENDENT vs. SUBSIDIZED NURSERIES

Subsidized State Nurseries are departing from their basic function of reforestation, by increasing their sales of Christmas tree varieties. If you buy from a privately operated Nursery you get:

- (a) The right to plant and sell your trees as you wish
- (b) Delivery when you want it
- (c) Precise grading by size
- (d) Lower shipping costs
- (e) Personalized service
- (f) Small advance payments—Balance C.O.D.
- (g) Adjustments readily made.
